Case No. 6:22-CV-01460-MO (Member Case)

I, Robin Henderson, PsyD, do hereby declare as follows:

1. I am the Chief Executive of Behavioral Health for Providence Health & Services in Oregon. I make this declaration based on personal knowledge.
2. I have a Doctor of Psychology (PsyD) degree from George Fox University, and a post-doctoral degree in integrated health psychology.
3. I am limited in what I can disclose pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA). However, I can confirm that in October of 2022, a patient who had been charged with a felony for unlawful use of a weapon was abruptly discharged from the Oregon State Hospital pursuant to the September 1, 2022 injunction, placed on a Magistrate's hold, and transferred to Providence St. Vincent Medical Center without any notice. Attached as Exhibit 1 is a true copy of an article that was published in the Willamette Week about this situation.

I hereby declare that the above statement is true to the best of my knowledge and belief, and that I understand it is made for use as evidence in court and is subject to penalty for perjury.
